**ISSUE:**

Approve an Ordinance amending Title 3 of the West Valley City Code to enact the Community Preservation Department.

**SYNOPSIS:**

Title 3 of the West Valley City Municipal Code must be changed to enact the Community Preservation Department. Chapter 3-13 describes the duties and responsibilities of the new Community Preservation Department, which consists of three divisions: Housing and Grants, Code Enforcement, and Animal Services.

**BACKGROUND**

Previously, the Animal Services Division and the Code Enforcement Division were one division, which, along with the Housing and Grants division, were located in the Community and Economic Development Department. These code changes separate the Code Enforcement and Animal Services Divisions, and place them in the newly enacted Community Preservation Department, along with the Housing and Grants Division.

**RECOMMENDATION:**

Approve an Ordinance amending the Title 3 changes.
